TWENTY-FIFTH RESOLUTION

(Delegation of authority to the Board of Directors to increase the share capital, without shareholders' preferential subscription rights, by issuing Company shares restricted to members of a company savings plan)

The shareholders at the General Meeting, voting under the conditions of quorum and majority required for extraordinary general meetings, after reviewing the Board of Directors' report and the statutory auditors' special report, and in accordance with the provisions of Articles L. 225-129-2, L. 225-129-6, L. 225-138, L. 22-10-49 and L. 225-138-1 of the French Commercial Code and Articles L. 3332-18 *et seq.* of the French Labour Code:

1. delegate to the Board of Directors, with the right to sub-delegate as permitted by law, their authority to issue new shares, on one or more occasions, at its sole discretion, in the proportions and at the times it shall choose, both in France and abroad, such issue being restricted to eligible employees, former employees and corporate officers of the Company and/or of the companies related to the Company within the meaning of Article L. 225-180 of the French Commercial Code and Article L. 3344-1 of the French Labour Code, who are members of a company savings plan;
2. disapply, in favour of such members, shareholders' preferential subscription rights over the shares that may be issued pursuant to this authorisation and waive any rights to any bonus shares that may be allotted in respect of the discount and/or the employer matching contribution;
3. resolve that the nominal amount of the capital increases that may be carried out pursuant to this delegation of authority may not exceed twelve million euros (€12,000,000) or the equivalent in any other currency, it being specified that (i) the nominal amount of the capital increases carried out pursuant to this resolution and the twenty-sixth resolution submitted to this General Meeting shall count towards this limit; and (ii) the nominal amount of any capital increase carried out pursuant to this resolution shall count towards the overall nominal limit of two hundred and six million euros (€206,000,000) applicable to the capital increases referred to in paragraph 2 of the eighteenth resolution submitted to this General Meeting. These limits shall be increased by the nominal value of any shares to be issued to protect, in the manner required by law and regulations and any applicable contractual provisions, the rights of holders of transferable securities or other rights granting access to the Company's share capital;
4. resolve that the subscription price of the shares issued pursuant to this delegation shall be determined under the conditions set out in Article L. 3332-19 of the French Labour Code, it being specified that the maximum discount on the average share price quoted over the twenty (20) trading sessions preceding the decision fixing the opening date for subscriptions may not exceed 20%. At the time of implementation of this delegation, however, the Board of Directors may reduce the amount of the discount on a case-by-case basis, particularly as a result of tax, employment and social security or accounting restrictions applicable in the countries in which the Group's entities participating in the capital increases are established. The Board of Directors may also decide to allocate shares, for no consideration, to subscribers for new shares, in substitution for the discount and/or the employer matching contribution;

- iii. set the amount of such issues and establish the prices and the dates of subscription, the terms of each issue and the conditions of subscription and payment for and delivery of the shares issued under this delegation of authority, as well as the date, which may be retroactive, from which the new shares shall carry the right to receive dividends;
 - iv. resolve, pursuant to Article L. 3332-21 of the French Labour Code, to allot new or existing shares, for no consideration, in respect of the employer matching contribution and/or, where appropriate, in respect of the discount, provided that their monetary value, assessed at the subscription price, does not cause the limits provided for in Article L. 3332-11 of the French Labour Code to be exceeded and, in the event that new shares are issued in respect of the discount and/or the employer matching contribution, to capitalise the necessary reserves, profits or issue premiums in order to pay up such shares;
 - v. set the period granted to subscribers to pay for their securities;
 - vi. record the completion of the capital increase at the amount of the shares that are actually subscribed for and amend the articles of association;
 - vii. at its sole discretion, deduct the costs of the capital increase or increases from the premiums relating to such capital increases and deduct from that amount the sums necessary to increase the legal reserve to one tenth of the new share capital following each increase;
 - viii. in general, take any measures and carry out any formalities relevant to the issue and listing of the shares issued as a result of the capital increases and any correlative amendments to the articles of association under this delegation.

These limits shall be increased by the nominal value of any shares to be issued to protect, in the manner required by law and regulations and any applicable contractual provisions, the rights of holders of transferable securities or other rights granting access to the Company's share capital;
5. resolve that the subscription price of the shares issued pursuant to this delegation may not be more than 20% lower than the average share price quoted over the twenty (20) trading sessions preceding the decision fixing the opening date for subscriptions, or higher than this average. At the time of implementation of this delegation, however, the Board of Directors may reduce the amount of the discount on a case-by-case basis, particularly as a result of tax, employment and social security or accounting restrictions applicable in any country in which the Group's entities participating in the capital increases are established. Moreover, where a transaction is carried out pursuant to this resolution concomitantly with a transaction carried out pursuant to the twenty-fourth resolution, the subscription price for the shares issued pursuant to this resolution may be identical to the subscription price for the shares issued pursuant to the twenty-fourth resolution.
6. resolve that the Board of Directors shall have all powers, with the right to sub-delegate as permitted by law, to implement this delegation, within the limits and under the conditions set out above, to:
 - i. draw up a list of the beneficiaries of each issue, from the categories of beneficiaries defined above, and of the number of shares to be subscribed for by each beneficiary pursuant to this delegation of authority;

meetings, after reviewing the Board of Directors' report and the statutory auditors' special report and in accordance with the provisions of Articles L. 225-197-1 *et seq.* and L. 22-10-59 *et seq.* of the French Commercial Code:

1. authorise the Board of Directors, pursuant to Articles L. 225-197-1 *et seq.* and L. 22-10-59 *et seq.* of the French Commercial Code and subject to the conditions defined in this resolution, to make bonus allotments of shares in the Company, either in issue or to be issued, on one or more occasions, to recipients of its choice from among the employees (or certain categories of employee) and corporate officers (or certain categories of corporate officer) of the Company and/or the companies related to it within the meaning of Article L. 225-197-2 of the French Commercial Code;
2. resolve that the total number of bonus shares allotted under this authorisation may not exceed zero point five per cent (0.5%) of the number of shares comprising the Company's share capital on the date on which the Board of Directors resolves to allot such shares, and that the aggregate nominal amount of the capital increases that may result therefrom shall count towards the overall nominal limit of two hundred and six million euros (€206,000,000) applicable to capital increases in paragraph 2 of the eighteenth resolution submitted to this General Meeting. In all circumstances, the total number of bonus shares that are allotted may not exceed the limits set by Articles L. 225-197-1 *et seq.* of the French Commercial Code. This limit does not take account of any adjustments that may be made to protect any rights of the recipients of the bonus shares;
3. resolve that the maximum total number of bonus shares that may be allotted to the Company's corporate officers under this resolution may not represent more than twenty per cent (20%) of all the shares that may be allotted pursuant to this authorisation and that the vesting of the shares allotted under this authorisation will be subject to performance conditions;
4. resolve that the shares will be definitively allotted to their recipients at the end of a vesting period, the length of which will be set by the Board of Directors, such period not being less than three years for corporate officers and two years for recipients other than corporate officers and that the minimum period over which the recipients will be required to hold the shares in the Company will also be set by the Board of Directors, such period lasting at least one year from the date on which the shares are definitively allotted. However, where shares are allotted with a vesting period of three years or more, the holding period for the shares may be reduced or cancelled with the result that the shares may be transferred without restriction once definitively allotted;
5. resolve that, where a recipient suffers a disability that falls within the second or third categories provided for in Article L. 341-1 of the French Social Security Code, the shares may, exceptionally, be definitively allotted immediately and no holding period will apply to the shares, which will be immediately transferable;
6. resolve that the Board of Directors will determine the identity of the recipients and the number of bonus shares that may be allotted to each of them, together with the vesting conditions, including performance conditions for allotments of shares to the Company's corporate officers;
7. record that this authorisation automatically entails an express waiver by the shareholders, in favour of the recipients of the shares that are the subject of the bonus allotment, (i) of their preferential subscription rights over the shares that are issued and that are the subject of the bonus allotment, (ii) of the share of reserves, profits or premiums that will be capitalised in the event of a bonus allotment of shares that are issued and (iii) of any rights over existing shares that are the subject of a bonus allotment. The corresponding capital increase will be completed as a result of the shares being definitively allotted to their recipients;
8. grant all powers to the Board of Directors, subject to the limits set out above, with the right to sub-delegate as permitted by law, to implement this authorisation, and specifically to:
 - i. determine whether the bonus shares are existing shares or shares to be issued;

This document is a free translation of the French version and is provided for information purposes only.

- ii. determine the identity of the recipients of the share allotments and the number of shares to be allotted to each recipient;
 - iii. determine all terms, conditions and procedures applicable to the bonus share plan(s);
 - iv. adjust the number of shares to be allotted in the event of transactions involving the Company's share capital or equity that have the effect of altering the value of the shares comprising the share capital, in order to protect the rights of the recipients of the bonus shares;
 - v. set the conditions and determine the criteria, dates and procedures for the allotment of shares, including the minimum vesting period and the length of any holding period applicable to each recipient, record the definitive allotment dates and, based on legal restrictions, the dates from which the shares may be freely transferred and, in general, take any necessary steps and enter into any agreements to complete the proposed allotments.
9. resolve that the Board of Directors shall also have the authority, with the right to sub-delegate as permitted by law and regulations, in the event that new shares are issued, to deduct the amounts required to pay up those shares from the reserves, profits or issue premiums, record the completion of the capital increases carried out pursuant to this authorisation, amend the articles of association accordingly and, in general, carry out all necessary actions and formalities;
10. resolve that the Board of Directors shall not be entitled, unless otherwise previously authorised by the General Meeting, to exercise its rights under this delegation of authority between the date on which a third party registers a public offer concerning the shares in the Company and the end of the offer period;
11. note that, each year, the Board of Directors will inform the shareholders at the ordinary general meeting, as required by laws and regulations, in particular paragraph 1 of Article L. 225-197-4 of the French Commercial Code, of the transactions carried out pursuant to this resolution;
12. resolve that this authorisation, which supersedes the authorisation granted pursuant to the thirty-third resolution of the General Meeting held on 25 April 2023, is granted for a period of eighteen (18) months as from this General Meeting.

The shareholders at the General Meeting, voting under the conditions of quorum and majority required for extraordinary general meetings, confer all powers on the bearer of copies or extracts of these minutes to carry out all legal formalities.

I — Preliminary formalities to be completed to participate in the General Meeting

The General Meeting is made up of all shareholders, regardless of the number of shares they hold.

Pursuant to Article R. 22-10-28 of the French Commercial Code, the right to participate in the General Meeting is established by the registration of securities in the name of the shareholder or of the intermediary registered on the shareholder's behalf (pursuant to the seventh paragraph of Article L. 228- 1 of the French Commercial Code) by the second business day preceding the General Meeting, that is by midnight (Paris time) on **Wednesday, 24 April 2024**, in the registered securities accounts kept by the Company (or its agent) or in bearer securities accounts kept by authorised intermediaries.

Registration of registered shares is certified by way of registration in the registered securities accounts kept by the Company.

Registration of shares in bearer securities accounts kept by authorised intermediaries is certified by way of a participation certificate issued by said intermediaries (electronically, if applicable, under the conditions stipulated in Article R. 225-61 of the French Commercial Code), provided with:

- the remote voting form; or
- the proxy voting form,

established in the name of the shareholder or on behalf of the shareholder represented by the registered intermediary.

II. — Conditions for participating in the General Meeting

1. Attending the General Meeting in person:

A shareholder wishing to attend the General Meeting in person must first obtain an admission card (this document is strictly personal and may not be transferred to another person).

- **A registered shareholder** who has been registered for at least one month by the date of the notice of meeting, in accordance with the provisions of Article R. 225-68 of the French Commercial Code, shall receive the notice of meeting along with a single form by post, unless they have requested to be notified electronically.

The shareholder can obtain their admission card either by returning the single form, duly dated and signed, using the prepaid envelope enclosed with the notice of meeting received by post, or by logging in to the <https://sharinbox.societegenerale.com> website with their usual login details to access the *Votaccess* platform.

The admission card can then be printed directly from the voting platform or sent to the shareholder by post.

- **A bearer shareholder** can either access the *Votaccess* platform by logging in to the Internet portal of their securities account holder using their usual access codes and then follow the on-screen instructions to print out their admission card, or they can send the single form to their securities account holder. In the latter case, if the shareholder has not received their admission card by **Wednesday, 24 April 2024**, they must ask their securities account holder to issue a participation certificate on that date that will prove their status as a shareholder and allow them admission to the General Meeting (participation certificate sent by the account holder).

Any request received by **Wednesday, 24 April 2024** at the latest will be honoured.

To facilitate admission, shareholders wishing to attend the General Meeting are nevertheless advised to submit their request as soon as possible to ensure their card arrives on time.

Under no circumstances should requests for admission cards be sent directly to the Company.

On the day of the General Meeting, all shareholders must be able to prove their identify and shareholder status in order to attend the General Meeting (upon presentation of an identity document and an admission card and/or participation certificate transmitted by the account holder).

This document is a free translation of the French version and is provided for information purposes only.
Shareholders are kindly asked to arrive before the starting time of the General Meeting.

2. Votes or proxies sent by post

Shareholders are strongly encouraged to cast their votes or grant proxy electronically. However, shareholders wishing to vote remotely or be represented by granting proxy to the Chairman of the General Meeting or to a representative may:

- **For registered shareholders (directly or administered):** return the single remote or proxy voting form, which they will have been sent with the notice of meeting, using the envelope enclosed with the notice of meeting.
- **For bearer shareholders:** request the single remote or proxy voting form from the intermediary that manages their securities as of the date of the notice of the General Meeting. Once this form has been completed by the shareholder, it should be returned to the account holder, which will then add a participation certificate and send it on to Société Générale Securities Services. To be counted, remote voting forms or proxies granted to the Chairman must be received by Société Générale Securities Services no later than **Tuesday, 23 April 2024**.

Designations or revocations of proxy sent by post must be received by Société Générale Securities Services, Service des Assemblées, CS 30812, 44308 Nantes Cedex 3, France no later than **Tuesday, 23 April 2024**.

Shareholders may transmit their voting instructions and designate or revoke a proxy online via the secure online *Votaccess* platform, under the conditions described below:

- **Registered shareholders** must submit their requests online via the secure *Votaccess* platform accessible via <https://sharinbox.societegenerale.com> using their access code or login e-mail (if they have activated their *Sharinbox* by *SG Markets* account) and their password. Once on the home page of the *Sharinbox* website, registered shareholders must follow the on-screen instructions in order to access the *Votaccess* platform where they will be able to vote online.
- **Bearer shareholders** are responsible for finding out whether their account holder has access to the *Votaccess* platform and, if so, whether this access is subject to specific conditions for use. Please note that only bearer shareholders whose account holder has signed up to *Votaccess* are able to vote and designate or revoke a proxy online.

If the shareholder's account holder has signed up to *Votaccess*, the shareholder must log in to the account holder's Internet portal with their usual access codes. The shareholder must then click on the icon that will appear on the line corresponding to their Verallia shares and follow the on-screen instructions in order to access *Votaccess* and vote or designate or revoke a proxy.

If the shareholder's account holder does not have access to the *Votaccess* platform, they may still give notification of the designation or revocation of a proxy electronically, in accordance with the provisions of Article R. 22-10-24 of the French Commercial Code, by sending an e-mail to shareholders@verallia.com. This e-mail must include, as an attachment, a digitised copy of the proxy voting form specifying the full name, address and complete bank details of the shareholder, as well as the full name and address of the designated or revoked proxy, along with the participation certificate issued by the authorised intermediary. Only notifications of the designation or revocation of proxy may be sent to the aforementioned e-mail address; no other request or notification on any other subject will be considered and/or processed.

Moreover, the shareholder must ask the bank or financial intermediary managing their securities account to send written confirmation to Société Générale Securities Services.
